

Thank you for your enquiry about our parties. Here's what you need to know.

Parties in our Charles Street studio are for 6 to 24 guests (maximum including all attendees) . We can come out to your home or venue, or arrange an alternate venue for larger groups. For groups of 10 or more you can reserve the whole studio, play your own CDs and pump up the fun.

Food can be ordered at a cost of £4.50 per person. You can bring a birthday cake or ask us to provide one for you. Unfortunately Saturday parties incur a surcharge of £20, this does not apply to any other day. We ask for a non-refundable deposit of £20 to secure the booking. You can pay by cash, cheque, credit or debit card (we can accept deposit payments by card over the phone too).

Please note that you are responsible for the behaviour of your guests.

For a small additional fee we can take pictures and provide you with a password protected online photo album of your event.

Depending on the age of the artists the painting should take from 40 minutes to one hour - **a full party usually lasts 1½ hours.** We'll be on hand to offer help and advice, so don't worry if your guests aren't too artistic. All the paints are completely non-toxic and totally washable, so no worries there - we do not provide aprons.

Our staff includes a fully trained primary school teacher and comes with decades of experience leading children's groups (and we're only young!). Staff with first aid training are present at all Barefoot events. Barefoot Ceramics opened in 2004 and at the time of going to press has hosted hundreds of parties including parties for sports teams, hen parties, corporate groups and teens; we also attend parent & toddler groups, primary and secondary schools, community groups and team building events.

A reservation can be made by email: but why not pop in, have a fairly-traded coffee or tea, and look around. Alternatively call us to chat over your requirements.

Whatever you decide, we're sure you'll have fun going **barefoot.**
