Key Stage Ideas - Including Cross Curricular Ideas

Most of these suggestions could be used right across the school age range with adaptation.

- Art & Design
 - create a design on plates, mugs, tiles
- Minibeasts
 - study the anatomy of and incorporate a minibeast into a design
- Mathematics
 - design tiles considering tessellation, pattern, reflection, and symmetry
- Whole Class Project
 - use tiles to create a class/school mosaic
- Industrial Processes
 - we can give a structured lesson on clay work, ceramic design and formation, including ceramic painting
- Fund-raising
 - staff and/or students can paint pieces for a school auction, summer fayre
 - what would be the final bid for the headteacher's mug?

Curriculum Cymreig

We can provide a wide range of pieces with a distinctive Welsh theme. For example dragons, Welsh flag designs, ideas for St. David's Day.
